Dear Supporters,

Thank you for your donation of 32 pounds of food and personal items to be sent to our troops. Through our Comfort and Care package program, Operation Support Our Troops-America (OSOT-America) ships to service members deployed in harm's way. These boxes are filled with snacks, food, letters of support and encouragement, and personal items. With an average weight of over 20 pounds per box there's plenty to share! Your donation helps OSOT-America continue this morale-boosting mission as our request for Comfort and Care Packages has been steadily increasing.

OSOT-America has shipped over 2.3 million pounds to thousands of service members since we started in 2003. They are from all branches of the Armed Forces and from every state. This is all possible through the incredible generosity of donors like you!

You can learn about our other programs and explore more ways to support OSOT-America's efforts at OSOTAmerica.org. OSOT-America, Inc. is a 501(c)(3) organization and donations are tax deductible. No goods or services were provided in return for this contribution. *Please keep this donation receipt for your tax records, tax ID 20-4275756.*

For assistance with future Comfort and Care package collections, please email collections@OSOTAmerica.org or call 630-971-1150.

On behalf of service members and the OSOT-America organization, **thank you!**

Sincerely,

Linda Tuisl
Executive Director

YOUR GIFT HAS A POWERFUL IMPACT FOR OUR MILITARY COMMUNITY

Our Comfort and Care Package Program started in 2003 when our founder spearheaded a group of military moms and supporters to coordinate a Valentine's Day project to ship boxes of items to the troops already deployed to support the war in Afghanistan and Iraq.

The idea for the project stemmed from the reality that while out in the field or in remote places, troops were unable to get some core necessities. As word spread about the project the community pitched in and the momentum continued to build and items for the boxes kept coming in even after the project was over.

At this time, we have sent over 2.3 million pounds of comfort and care items to troops deployed in dangerous places around the world. We continue to send thousands of boxes every year to deployed troops serving all over the world protecting our freedom and way of life.

"Hello, I wanted to say thank you VERY MUCH for the extensive package and all the contents inside. I've already managed to distribute out most of the items and have a few for some sailors who didn't receive or get anything through this holiday season. In my 18 years of service, this was the best care package I have ever received (I have a feeling you have a few vets helping you out based on some of the contents!) and it surely brightened my day, as well as the others I was able to share it with."

"I'm in the US Army Infantry and I just received a care package from your organization. I wanted to let you know how much my fellow soldiers and I appreciate you guys. It is a huge morale boost and I know every soldier I live with feels the same. The letters from the children are awesome, it's a great feeling to know that people are teaching the youth about us and supporting the troops. Reading those letters brought some joy to us for sure. Thank you again for everything!"
