DANTECH ELITE COMPOSITES

## UNIGRIP - DANTECH ELITE COMPOSITES

The latest breakthrough in high-performance epoxies, delivering superior protection, greater efficiency, and unmatched value.

### More value for money

High-performance, lower investment: Marine and Industrial users get high-end epoxy performance at a mid-market price.

### Fast & easy to use

User friendly application, minimal training and rapid cure times translate into less downtime and reducing operational errors.

### Filler & solvent free

Filler and solvent free formula with 100% active ingredients. Ensuring unmatched strength, adhesion, and long-lasting chemical resistance.

### All-in-one versatility

One product, hundreds of repairs. From bonding and sealing to coating and rebuilding.

### UNIGRIP - PIPE TAPE - FIBERGLASS PIPE REPAIR TAPE

A rapid-curing pipe repair bandage especially formulated to make quick and effective repairs of cracks, leaks, fractures, and corrosion porosity in piping systems carrying water, oil, steam, most gases and even solvents. ensures reliable, reinforced repairs, enhancing the strength and longevity of piping systems in industrial, marine, and offshore environments.

Part #	Unit
401-S	2" x 2 yds (5cm x 1.8m) Pipe dia up to 2 1/2" (DN75)
401-M	2" x 4 yds (5cm x 3.6m) Pipe dia up to 5" (DN125)
401-L	4" x 5 yds (10cm x 4.8m) Pipe dia up to 8" (DN200)
401-XL	6" x 11 yds (15cm x 10m) Pipe dia up to 14" (DN350)

### UNIGRIP - PIPE TAPE WITH PUTTY STICK

A rapid-curing pipe repair bandage especially formulated to make quick and effective repairs of cracks, leaks, fractures, and corrosion porosity in piping systems carrying water, oil, steam, most gases and even solvents. Ensures reliable, reinforced repairs, enhancing the strength and longevity of piping systems in industrial, marine, and offshore environments. When used together with Unigrip Repair Putty it withstands pressure up to 725 PSI (50 bar)

Part #	Unit
801-S	Pipe Repair Kit - Pipe dia 1/2" to 2 1/2" (DN20 to DN65) 725 PSI (50 bar) Including: 1x pipe tape 2" x 2 yds (5cm x 1.8m) 1x putty stick 57gr (also works underwater) 1x Instructions for use and one set of nitrile gloves
801-M	Pipe Repair Kit - Pipe dia 3" to 5" (DN20 to DN125) 725 PSI (50 bar) Including: 1x Pipe tape 2" x 4 yds (5cm x 3.6m) 1x Putty stick 57gr (also works underwater) 1x Instructions for use and one set of nitrile gloves
801-L	Pipe Repair Kit - Pipe dia 6" to 8" (DN20 to DN125) 507 725 PSI (50 bar) Including: 1x Pipe tape 4" x 5 yds (10cm x 4.8m) 1x Putty stick 57gr (also works underwater) 1x Instructions for use and one set of nitrile gloves
801-XL	Pipe Repair Kit - Pipe dia 9" to 14" (DN20 to DN125) 725 PSI (50 bar) Including: 1x Pipe tape 6" x 11 yds (15cm x 10m) 1x Putty stick 57gr (also works underwater) 1x Instructions for use and one set of nitrile gloves

### UNIGRIP - PIPE TAPE TAILORED KITS

A range of customized pipe kits suitable for repairing multiple pipe dimensions. Especially formulated to make quick and effective repairs of cracks, leaks, fractures, and corrosion porosity in piping systems carrying water, oil, steam, most gases and even solvents. Ensures reliable, reinforced repairs, enhancing the strength and longevity of piping systems in industrial, marine, and offshore environments. When used together with Unigrip Repair Putty it withstands pressure up to 1500PSI (103 bar)

#### Unit

802-S Pipe Repair Kit - Pipe dia 1/2" to 5"  
(DN20 to DN125) - 600 PSI (41 bar) and 1500 psi (103 bar) with double wrap

#### Including:

1x Pipe tape 5cm x 1.8m  
1x Pipe tape 5cm x 3.6m  
2x Putty stick, 2.0 ounce / 57gr (works underwater)  
3x Set of nitrile gloves and one instructions for use

802-M Pipe Repair Kit Pipe dia 1/2" to 8"  
(DN20 to DN200) - 600 PSI (41 bar) and 1500 psi (103 bar) with double wrap

#### Including:

1x Pipe tape 5cm x 1.8m  
1x Pipe tape 5cm x 3.6m  
1x Pipe tape 10cm x 4.8m  
3x Putty stick, 2.0 ounce / 57gr (works underwater)  
4x Set of nitrile gloves and one instructions for use

802-L Pipe Repair Kit - Pipe dia 1/2" to 20"  
(DN20 to DN350) - 600 PSI (41 bar) and 1500 psi (103 bar) with double wrap

#### Including:

2x Pipe tape 5cm x 1.8m  
2x Pipe tape 5cm x 3.6m  
1x Pipe tape 10cm x 4.8m  
1x Pipe tape 150cm x 10m  
5x Putty stick, 2.0 ounce / 57gr (works underwater)  
6x Set of nitrile gloves and one instructions for use

802-XL Pipe Repair Kit - Pipe dia 8" to 24"  
(DN125 to DN600) - 600 PSI (41 bar) and 1500 psi (103 bar) with double wrap

#### Including:

2x Pipe tape 10cm x 4.8m  
2x Pipe tape 150cm x 10m  
2x Putty stick, 2.0 ounce / 57gr (works underwater)  
4x Set of nitrile gloves and one instructions for use

### UNIGRIP - SUPER WRAP REINFORCEMENT TAPE KITS (SWK)

Text missing

#### Unit

803-S, Super-Wrap-Kit (small) -1500 PSI (103 bar)

Specially engineered for reinforcing corroded pipes or weakened joints. Pipe

dia up to 5" (DN125)

Works on both dry and moistened surfaces.

Contains:

1 ea. UNIGRIP 410-M Reinforcement tape , 2" x 30ft (5cm x 10 m)

1 ea. UNIGRIP 101-S, Super Guard Coating 9.0 oz (265ml)

cartridge

1 ea. Putty stick 2.0 ounce / 57gr (works underwater too)

Including:

1 ea. Mixing nozzles

1 ea. Paint brush with hose and mixing nozzle

Note: ( caulking gun are not included)

#### UNIGRIP 803-M, Super-Wrap-Kit (medium)

1500 PSI (103 bar). Specially engineered for reinforcing corroded pipes or weakened joints.

Pipe dia up to 9" (DN225). Works on both dry and moistened surfaces.

Contains:

1 ea. UNIGRIP 411-L Reinforcement tape, 2" x 60ft (5cm x 20 m)

- 2 ea. UNIGRIP 101-S, Super Guard Coating 9.0 oz (265ml) cartridge

- 1 ea. Putty stick 2.0 ounce / 57gr (works underwater too)

Including:

- 2 ea. Mixing nozzles

- 1 ea. Paint brush with hose and mixing nozzle

Note: ( caulking gun are not included)

#### UNIGRIP

803-L, Super-Wrap-Kit (large) 1500 PSI (103 bar)

specially engineered for reinforcing corroded pipes or weakened joints. Pipe

dia up to 24" (DN600)

Works on both dry and moistened surfaces.

Contains:

3 ea. UNIGRIP 411-L Reinforcement tape, 2" x 60ft (5cm x 20 m)

2 ea. UNIGRIP 101-M, Super Guard Coating 38 oz (1125ml) dual

cartridge

1 ea. Putty stick 2.0 ounce / 57gr (works underwater too)
